Vegan Statement

We, AMINO SWISS AG, and ALPHY EUROPE CORPORATE DIVISION OF AMINO SWISS AG, Switzerland, hereby certify that the material, Astaxanthin Oleoresin 10% we produce, is 100% derived from Haematococcus pluvialis algae supplied by ourselves.

It does not contain animal ingredients, animal by-products, or their derivatives. Furthermore, we affirm that no animal testing has been conducted in the manufacturing processes of this product.

Hence, the product is acceptable for use by:

- Vegetarians
- Vegans
- Ovo Vegetarians
- Lacto-Ovo Vegetarians

We fully understand the importance and accuracy of this statement.
